

The new LawOne: not just a pretty interface.

Fully re-engineered, LawOne is packed with new and improved features.

What's new in LawOne?

- ▶ **Faceted search and browse**
Access legislation efficiently using multiple filters (including sub-subject).
- ▶ **Key information box**
Access core details, downloads, tables, bills and more with speed and ease.
- ▶ **Activity reports**
Preconfigured reports and RSS feeds for one click access to legislative activity.
- ▶ **Customised reports**
New event types and options for compliance and on-demand activity monitoring.
- ▶ **Currency flag**
Currency information available in one click.
- ▶ **Add to favourites**
Your new favourite productivity tool.
- ▶ **Improved alerts**
Quickly create and efficiently manage alert profiles.
- ▶ **Optimised browser**
Made to adapt to a variety of larger tablet devices.
- ▶ **Styled inserts**
Identify legislative inserts with greater ease.
